**[JDS] Editorial Decision:**

Dear Didit Darmawan,

After conducting an initial review by the Editor-in-Chief and other editors, we regret to inform you that we do not consider the following manuscript you submitted to our journal to be suitable for publication:

- Manuscript title: DISTRIBUTION INFLUENCE OF SIX MAIN ELEMENTS ON ENHANCING ORGANIZATIONAL EFFECTIVENESS
- Author(s): Didit Darmawan
- Submission date: 2023-12-12
- Submission type: New submission

- Reasons for Desk-Reject: The manuscript does not fit the aims and scope of the journal. You should add distribution-related words to the title, keywords, introduction, and conclusion.

You can access the ACOMS+ submission portal at <https://acomns.accesson.kr/jds>.

From there, you can check some reasons and comments about the desk rejection of your manuscript in the **[My History > Submissions with Final Disposition]** menu in ACOMS+.

Please note that we have made the difficult decision to your manuscript without further review. We appreciate your interest in our journal and encourage you to consider submitting your work to us again in the future if it is more aligned with our scope and objectives.

The Journal of Distribution Science
Editor-in-chief Hee-Joong Hwang

Cite references only from journal articles or books. Avoid literature such as theses, online materials, or reports. Information on the journal article in the reference must include the volume, issue, and page.

References must be edited in APA style.

Just adding the word "distribution" does not make a paper suitable for JDS. Please describe the distribution-related implications and value of the research.

**[JDS] Request to Improve Manuscript (Manuscript ID: JDS-2023-404_R2)**

Dear Didit Darmawan,

Thank you for submitting the following manuscript to The Journal of Distribution Science:

- Manuscript title: DISTRIBUTION OF SIX MAIN ELEMENTS INFLUENCE ON ENHANCING ORGANIZATIONAL EFFECTIVENESS
- Author(s): Didit Darmawan
- Submission date: 2024-02-15
- Submission type: Revised submission

After careful consideration by the editor-in-chief, we have determined that your manuscript requires revisions before it can proceed to the formal review process for The Journal of Distribution Science.

- Reasons for Improvement: The manuscript does not follow the journal guideline. Just adding the word "distribution" does not make a paper suitable for JDS. Please describe the distribution-related implications and value of the research. You should add distribution-related words to the title, keywords, introduction, and conclusion.

Once you have made the necessary revisions, please resubmit your manuscript for review. You can access the ACOMS+ submission portal at <https://acoms.accesson.kr/jds>.

You can check the details about your manuscript improvement in the **[Current Submission > Submit Manuscript]** menu in ACOMS+.

Best regards and thank you,

The Journal of Distribution Science
